

Use Party Lines 'Wish List' to Plan Your Upcoming Event!

It's easy! As you browse our selection of products just add the ones you like to your personal wish list as you browse, when you're done, click on the get quote button to send a copy of your wish list to your email address and to our event coordinator.

You don't have to register or give us any personal information! All we need is an email address! (we won't call you unless you ask us to and we won't share your email with anyone, we promise!)

Keep in mind, Wish lists are NOT reservations. Please call one of our event coordinators if you would like to make your wish list a reservation.

If you are interested in tents, many variables determine the size of tent and or type of tent that may be needed. Using the tent calculator can give you a good idea of what size tent you may need and one of our representatives will be happy to assist you with the rest.
